

MONARCH INTERNATIONAL SCHOOL

SCHOOL ANNUAL REPORT

2023-24

Dear Students, Parents, and Esteemed Members of the School Community,

I am pleased to present the annual report for the academic session 2023-24 of Monarch International School, an English-medium institution affiliated with the Central Board of Secondary Education (CBSE) up to class 12.

Academic Achievements

This year, our students have excelled in academics, demonstrating remarkable dedication and hard work. Our grade XII students achieved an outstanding pass percentage, with many securing top ranks in various subjects. We proudly celebrate the achievements of our students in the CBSE board examinations.

Co-curricular Activities

Our school firmly believes in the holistic development of students. Throughout the year, we organized various co-curricular activities, including debates, quizzes, art competitions, and cultural programs. Our students participated enthusiastically, showcasing their talents and bringing laurels to the school.

This year has been one of remarkable achievements and joyous celebrations. Our 361 students participated in the Asset Examination, showcasing their academic prowess and commitment to excellence. We are proud of their hard work and dedication, which is reflected in their outstanding performance.

The school celebrated Independence Day on 15th August 2023 with great enthusiasm. The event included a flag-hoisting ceremony, patriotic songs, and speeches that inspired us all. Similarly, Republic Day was celebrated on 26th January 2024, highlighting our nation's rich heritage and diversity through cultural programs and student performances.

Sports Achievements

Monarch International School is not just about academics; we believe in the holistic development of our students. Our two big playgrounds have been instrumental in encouraging physical activities and sports, fostering teamwork and sportsmanship among our students.

Sports continue to be an integral part of our curriculum. This year, our students participated in inter-school competitions. Our cricket, basketball, and athletics teams performed exceptionally well, demonstrating sportsmanship and teamwork.

Infrastructure and Facilities

We continuously strive to provide the best infrastructure and facilities to our students. This year, we upgraded our science and computer labs with the latest equipment and introduced a new library management system to enhance the learning experience.

Teacher Development Programs

To ensure our educators are equipped with the latest teaching methodologies, we conducted several teacher training workshops and development programs. These initiatives have helped our teachers stay updated with the latest trends in education, ensuring the highest quality of teaching for our students.

Community Engagement

Our school has always emphasized the importance of community service. This year, our students participated in various community service programs, including cleanliness drives, tree plantation, and awareness campaigns. These activities have instilled a sense of responsibility and empathy in our students.

Future Plans

As we look forward to the next academic year, we plan to introduce new extracurricular activities and advanced courses to cater to the diverse interests and needs of our students. Our focus remains on providing a nurturing and stimulating environment that fosters academic excellence and personal growth.

Conclusion

I extend my heartfelt gratitude to our dedicated staff, supportive parents, and hardworking students for their unwavering commitment and cooperation throughout the year. Together, we have made this academic session a resounding success. I look forward to another year of achievements and growth for Monarch International School.
