

SCHOOL ANNUAL REPORT

2020-21

I would like to take few minutes to have an overall glance upon our school's annual report for the academic session 2020-21 along with our aims and objectives. Monarch International School is a CBSE affiliated secondary school started functioning from June 2017, under the aegis of Smt.Monghiben Lavjibhai Talaviya Charitable Trust, with an object to provide holistic education to pursue the dream of attaining excellence in life. The school is functioning effectively under the efficient management and guidance of many educationists who have exemplary vision and objective towards quality and life-skill education. For the last 4 years of service the school has substantially contributed a lot for mould the young generation inculcating social, ethical and human values irrespective of any social bias. The students of this institution are taught multipurpose lessons of ideal and honest life, good conduct and character, discipline, nationalism and rational thinking and socially feasible to prepare ideal, loyal and sincere youngsters to meet the challenges of the country.

Scholastic Areas

We are following NCERT syllabus, apart from the NCERT suggested texts, additional subjects such as Gujarati, GK, English Grammar and Computer. Art integrated teaching and projects are made compulsory as per the guidance of CBSE to enhance students' creativity since last year. The school conducted online classes through Google Meet platform from Grade 1-10 due to the outbreak of Covid-19 pandemic. The school has succeeded to provide resourceful online teaching to more than 98% of students.

Examinations and Tests

The school conducted two periodic tests (online) in the month of September 2020 and January 2021 from Grade 1-10, half yearly Examination (online) from Grade 1-10 in the month of October 2020 and the Annual Examination (for Grade 1-9) in the month of March 2021 where as in the case of Grade 10 students apart from the above mentioned examination, the school also conducted three practice tests in the month of January and February 2021. Most of these tests were conducted offline and two Pre-Board Examinations were conducted in the month of March and April 2021 on online mode.

Co-Scholastic Activities

due to covid-19 pandemic, the school didn't get much time to organize more co curricular activities yet apart from regular teaching the school also conducted many co-curricular activities such as Quiz competition, drawing completion, debate, elocution and Poster making completion on various topics through online with aim to update the students knowledge and competency level. the school also ensured Art-Integrated projects and assignments suggested by CBSE for various classes have been accomplished with its objectives. Almost 24 students from Class 9 and 13 students from Grade 10 participated Prime Ministers Parish pe Charcha programme and as many number of students also joined in Diksha app for various online learning programmes. 63 students from Grade 3-8 participated in Science and Maths Olympiad conducted by SOF and 36 students participated in ASSET exam as well.

Teachers Training

Training and Orientation is an integral part of updating teachers' competency and skills. The school conducted online workshop programme organised by NELTAS. 27 teachers enrolled in DIKSHA app and cleared the course of CBE certificate in all the modules.

Annual Result

The school registered 100% result from Grade 1-9. The students who couldn't attend the scheduled online examination were given special privilege to attend the examination through special link provided thus making sure that all the students should get a fair opportunity to appear for the examinations and assessment. The school has the first

24 students of Grade 10 who are going to appear for Board examination this year.
